

Remarks

Referring to the first paragraph on page 4 of the Office Action mailed September 11, 2006, each of claims 1 and 2 has been further amended to indicate that the ratio referred to therein is a weight ratio. This is consistent with Comparative example 4 in Table 4 on page 18 of the specification, and the calculation of the H/C ratio for Comparative example 4 set forth at the middle of page 4 of the Amendment filed January 10, 2007.

Respectfully submitted,

Eiichi ISHII et al.
